COURTYARD GARDEN

Mainly paved with pretty raised flower beds and a planted bank to the rear, a block-built potting shed and steps down to a gated brick-paved parking area which is covered and large enough for two cars to park off-road.

GARDENS

From the paved parking area, there is a bin store and gate that opens up to the steps to the 'magical' garden!

The steps are fairly steep but the walk up is definitely worth it. The garden meanders through a beautiful private woodland area with paths and raised areas to plant, arbours, a paved barbecue and seating spot next to a great pond with Water Lillies, which then leads on to a pair of tiered lawns and a fabulous 'party deck' with lights, power and views out over the village.

A surprising and lovely hidden gem! It really does have to be seen to take it all in.

AGENTS NOTE
